INTERVIEW SUMMARY

Hereinbelow is a summary of the personal interview conducted with the Examiner in connection with the above-referenced application.

Interview Date: January 20, 2006
Interview Time: Telephonic
Attendees: Juan Carlos A. Marquez, Examiner Julio C. Gonzalez
Claims Discussed: Claims 6-15
Exhibits shown: none
Prior art discussed: prior art of record in general was discussed

Discussion/Agreements Reached:

Applicants' representative and the Examiner discussed features of the claims. The Examiner indicated that he understood Applicants' position, but suggested that we amend the claims in order to fully distinguish the invention from the prior art of record. In addition, since the current Office Action is final, he indicated that he cannot consider amendments on the merits as they will raise new issues, as such amendments would require further searching.

Conclusion

The Examiner is respectfully requested to acknowledge receipt and consideration of this Interview Summary. Should there be any outstanding issues requiring discussion that would further

the prosecution and allowance of the above-captioned application, the Examiner is invited to contact the Applicant's undersigned representative at the address and phone number indicated below.
